You can do anything you set your mind to, and we want to help!. By joining the FSS Program, you would receive the following:

- Referrals to community support services to help attain your goals.
- Assistance with financial planning when requested.
- Various workshops available to help you obtain your goal.
- As employment is obtained or earnings increase, monthly deposits are made to an escrow account that is held by the Housing Authority.
- When the family successfully completes the Contract and is free of welfare assistance programs, the escrow monies are paid to the successful family.
